

THE TILE AND STONE CENTER

The Tile and Stone Center is the area's top destination for the finest tile, stone, porcelain, metal and glass from around the world.

At the Tile and Stone Center, you'll find more than just a sales team. You'll find a team of experienced installers who can help you from concept to creation. Our experts are able to offer you a wide variety of products ranging from exotic marbles and granite to handmade ceramics and mosaics.

We also have the area's largest selection of digitally-rendered porcelain plank flooring. We're on the forefront of our field and offer our clients digital rendering capabilities that allow you to see a concept of your space with thousands of layout and design options.

CTI specializes in custom showers (including curbless showers and linear drains), heated floors, custom marble and granite stone fabrication and installation, self-leveling of floors, as well as sloped mud pans, back splashes and everything in between to service our high-end clientele in Talbot County and beyond.
